*Jennings Set To Bring Her Moments by the Sea Exhibit on Saturday, May 30th from 4:00 – 6:00 p.m.*

**Marshfield, MA – May 1, 2009** --- New England based artist Laura Tryon Jennings brings her Moments by the Sea exhibit to the Elizabeth Moss Gallery with a public opening on Saturday, May 30, 2009 from 4:00 to 6:00 p.m. Jennings is an award-winning artist with a resume that boasts nationwide exhibitions with an East Coast concentration and prominent collectors including best selling author Mary Higgins Clark, Grammy award winning singer Bruce Hornsby, news reporter Joan Lunden. Jennings spent her formative years and university years in the U.S. and England. Her work is also among the collections of Harvard University, Blue Cross Blue Shield, Merrill Lynch, University of Southern Indiana, and HLM Venture Partners. Gallery owner Elizabeth Moss says, "I am pleased to offer the work of Laura Tryon Jennings because her work is of great interest to me. I've never seen such a unique palette paired with the unusual perspective of looking down on objects and room interiors. There is a Hopper-like quality to the light and a feeling of voyeurism from the perspective."
